COMMON REPLACEMENT PARTS

Following are photos, part numbers and descriptions of common replacement parts on Sukup material handling equipment (Bucket elevators, conveyors and air systems). For reference, **many parts are pictured on graph paper with half-inch squares**. Use Sukup Office to order parts or call 641-892-4222.

NOTE: Some pieces are used on more than one type of equipment. All commonly replaced parts are not pictured as some are very similar, such as bucket elevator cups, conveyor paddles, pulleys, bearings, bushings, sprockets and drive belts. A full list of replacement parts begins on Page 12.
